Site Works Solutions, Inc.
P.O. Box 492247
Redding, Ca 96049

Dear Management and Staff of Site Works Solutions:

This letter is to congratulate you and your company, Site Work Solutions, Inc, for becoming HUB Zone Certified. The work your company did on the extensive excavation/underground, concrete and paving at the Clear Creek Access jobsite was excellent.

During July to September, 2008 construction project, your company showed diligence and dedication to finish work on time, which greatly benefited other pending projects we were handling. Site Work Solution's Project Managers implemented the project smoothly and efficiently. Your attention to detail and proper scheduling resulted in a job well done.

We appreciate your 100% effort in completing our Clear Creek Access Improvements Project on time and within budget. We would not hesitate to refer Site Work Solutions, Inc., to other organizations in need of quality services from a contractor.

Sincerely,

Mary Mitchell
District Manager
